

Application Guide for the Non Degree Seeking Students:

This is a guide for people who want to just take a few courses. Please follow the steps to hack the application process.

1. Create an account at
<https://umdgrad.askadmissions.net/emtinterestpage.aspx?ip=accountcreation>
2. Confirm your account in the email sent to you by the Graduate School.
3. Login with your account
https://app.applyyourself.com/AYApplicantLogin/fl_ApplicantConnectLogin.asp?id=umdgrad
4. Fill in Demographics, Contact Information
5. In the Educational Intent
 - a. Please select if you are an International or Domestic Student.
 - b. The Term you want to take that particular course.
 - c. In College / School Select Graduate School/Non – Degree.
 - d. In Intended Program of study Select Non-Degree Seeking Student (GRAD).
 - e. In Degree Select Non-Degree Seeking Student (GRAD).
 - f. In Area of Interest 1, select Not Applicable.
 - g. Leave all in the Testing Registration Numbers Blank.
6. Fill in Previous Education (on this page it says that you have to submit official transcripts. This is not the case for one-off courses) (It is enough to upload an unofficial copy of your transcripts. No official copy needed for one-off courses. The Graduate School will allow you to register for one semester with unofficial copies of transcripts.)
7. Fill in Personal Information.
8. Publications/Presentations (You can just say no here. If you say yes it will ask you to enter information on one presentation) .
9. In Faculty of Interest select No.
10. Upload a Statement of Purpose. This can be a few short sentences, or simply "I am planning to take a JPSM course on a Non-Degree Basis". All other fields that are not compulsory, i.e. not marked "*", can be left blank.
11. No need to add Recommendations.
12. Submit Application.

Do not send letters of recommendation or GRE test scores as these are not necessary for non-degree seeking students.
